Destini Wins Petronas Carigali Well Services Contract

KUALA LUMPUR: Destini Bhd has secured a five-year umbrella contract from Petronas Carigali Sdn Bhd to provide integrated well services for petroleum arrangement contractors.

The letter of award was received by wholly owned Destini Oil Services Sdn Bhd (DOS) on Sept 20, the company said in a filing with Bursa Malaysia today.

The contract does not constitute any commitment by Petronas Carigali to guarantee any minimum quantity of works to be performed by DOS.

"Any instruction for the works shall be made on a call-out basis through the issuance of work order by Petronas Carigali," it said.
